Note

EN55022/1998+A1/2000+A2/2003

We did not perform Voltage interference measurement of telecommunication Control line after consultation with the client. (Conducted Emission)

We did not use ferrite clamp after consultation with the client. (Radiated Emission)

EN55022:1998

The measurement requirement of Voltage interference for telecommunication control line was postponed until 1st of August 2007.

Therefore Voltage interference measurement of telecommunication line was not performed.

A1:2000

The Radiation measurement requirement of using the ferrite clamp to cables was postponed until 1st of August 2007.

Therefore the measurement of using ferrite clamp to cables was not performed.

A2:2003

Our product does not require this amendment.

EN55024/1998+A1/2001+A2/2003

EN55024:1998

A1:2001 & A2:2003

Our product does not require this amendment.
